<https://www.ifj.edu.pl/en/career/recruitment-procedures.php>

**I. Keywords:**

Proton therapy, radiobiology, biophysics.

**II. Description:**

A person employed as an adjunct (post-doc) for a fixed period up to 33 Months at the Cyclotron Center Bronowice - CCB at IFJ PAN will be obliged to participate in work on research topics and projects implemented and planned for the nearest period at the CCB.

The basic tasks of the employed person will include:

- research on the functioning and development of proton therapy, in particular:
- research conducted on adult and pediatric patients undergoing proton therapy for tumor changes;
- utilization of proton beams for the development of new methods for treating central nervous system tumors.

The employed person will also be obliged to disseminate the results of research in the form of publications in leading scientific journals indexed in the JCR and speeches during seminars and conferences, including international ones. This person will also be obliged to apply for external funding for research.

**III. Required qualifications:**

- doctor degree in physical sciences or related disciplines: chemistry or pharmacy,
- qualifications necessary to carry out research tasks carried out at CCB,
- knowledge of the research topics of radiobiology, biophysics, and pharmacy,
- experience in the field of radiobiology, biophysics, and pharmacy,
- work skills in cooperation with interdisciplinary team,
- very good knowledge of spoken and written English,
- research predisposition,
- planning, responsibility, and excellent time management skills.

Welcome:

- Interest in further development in a scientific position leading to habilitation.

#### IV. Salary offered

A person employed for a fixed period up-to 33 Months as an adjunct (post-doc) will receive a monthly basic remuneration from **PLN 5,500.00 gross**, which depends on the candidate's achievements. The total amount of remuneration will be increased by **allowances** for: length of service and working under conditions of exposure to ionizing radiation (if applicable).

#### V. General information

Detailed rules of the competition are specified in the Terms and Conditions of Recruitment of Adjuncts and Research Assistants adopted by the IFJ PAN Scientific Council on April 12, 2021 and accessible at:

<https://www.ifj.edu.pl/en/career/documents/terms-and-conditions-adjunct-research-assistant.pdf>
