

**Resolution no. 19/2022
of March 1, 2022
of the Scientific Council of the Henryk Niewodniczański Institute of Nuclear Physics
Polish Academy of Sciences in Kraków
condemning the military assault of the Russian Federation on Ukraine**

The Scientific Council of the Henryk Niewodniczański Institute of Nuclear Physics Polish Academy of Sciences strongly condemns the unjustified and unprovoked invasion of Ukraine by the Russian Federation.

The Scientific Council of the Henryk Niewodniczański Institute of Nuclear Physics Polish Academy of Sciences expresses solidarity with the suffering people of Ukraine and sympathizes with our Ukrainian friends who have been forced to face this tragic situation through no fault of their own.

We call upon the whole scientific community to solidarize with the Ukrainian nation and to provide all necessary assistance and support to Ukrainian citizens to help them survive these trying times.

We will do our utmost to continuously support and further develop the scientific collaboration between Polish scientists and our Ukrainian partners.
